

15 FREEDOM TRUTHS!

These fifteen truths should be confessed daily to build the believer's self-esteem. It is critical for the believer to see himself as God looks at him. John the Baptist saw himself and spoke in agreement with the way God saw him. The discipline to speak God's word will transform your thinking; it will change how you see yourself and your faith level will soar. As you see yourself differently, you will respond to others differently. Always remember, there are two (2) true's. What man or circumstances say and then what God says. Choose to believe God because your circumstance is only temporary.
